

BRITISH COUNCIL SCIENCE AND BEYOND

Lecture Series

The Higgs Boson: **Past, Present & Future**

Venue:

Physics Auditorium, P. U., Chd

Date:

Monday, March 20, 2017

Time:

11 AM to 12 Noon

Dr Victoria Martin

- Reader, Particle Physics, University of Edinburgh.
- Co-lead, Higgs Boson Research Team, Univ. of Edinburgh
- Presently works with her team on the ATLAS and CLIC experiments at CERN.
- Current research includes investigation of the behavior of Higgs boson and development of future experiments in the domain

Dr Martin, a member of the Young Academy of Scotland, also has collaborations with IISc Bangalore and IIT Guwahati. She obtained her doctorate in particle physics from the University of Edinburgh before starting her tenure at Northwestern University in Illinois as a researcher.

RSVP

Prof. Deepti Gupta,
Dean International Students
Dept. of English & Cultural Studies
