## FIT INDIA FREEDOM RUN 2.0

Fit India Freedom Run was conceived last year when the entire nation started following social distancing in a 'new normal' lifestyle, so as to keep the imperative need of fitness active even while following the social distancing norms, Fit India Freedom Run was launched on the concept of virtual run i.e. *'it can be run anywhere, anytime! You run a route of your choice, at a time that suits you. Basically, you run your own race and time your own pace'*.

The first edition of the campaign was held from 15th August to 2nd October, 2020. Individual Participants/Organisers registered their Runs on Fit India portal ([fitindia.gov.in](http://fitindia.gov.in)) and the organisers were obliged to provide the data regarding number of participants and cumulative kms covered. The Central/State Departments and organizations including Armed Forces, NGOs, Private Organizations, Schools, Individuals, Youth Clubs, etc. actively participated in the campaign and it reached to more than 30 crore people on social media. More than 5 crore people participated and covered around 18 crore kms Run.
